

THANK AN ANGEL

Give thanks with a grateful heart. Make high-quality care possible.

Every year, Ascension Wisconsin cares for many patients. **One of them may have been you.**

Was there a provider that went above and beyond during your visit? If so, you can nominate them as a **Guardian Angel.**

Guardian Angel, a program of Ascension Wisconsin Foundation, allows you to recognize your provider(s). You can recognize your Guardian Angel by making a gift in their honor, sharing your story, or both.

You will make a difference when you recognize your Guardian Angel.

GUARDIAN
ANGEL

Thanks to the generosity of people like you, Ascension Wisconsin Foundation was able to invest over \$10 million into Ascension Wisconsin healthcare in fiscal year 2023. *(July 2022 to June 2023).*

When you make a gift in honor of your Ascension Wisconsin provider(s) through the **Guardian Angel program**, you can direct it toward the site and service line that you are most passionate about. Your gift will provide hope and healing for the hundreds of thousands of patients we are privileged to serve every year.

Once we receive your Guardian Angel nomination, your provider will be notified of their recognition and receive a custom pin to wear at work.

Thank you for making a difference.

**GUARDIAN
ANGEL**
