

GUARDIAN ANGEL

How can you help?

If a patient or family member shares words of appreciation and asks how they can further express their gratitude, Guardian Angel is the answer. Brochures are available throughout all Ascension Wisconsin sites. You can also direct grateful patients to giveAWF.org/guardian-angel.

Thank you

Everyday Ascension Wisconsin Foundation is proud to support the meaningful work you do. You truly make a difference in the lives of our patients and communities.

When a patient recognizes their Guardian Angel(s), associates will be notified of the recognition and will receive a personalized card and pin to wear. Additional pieces of recognition will be received as individuals start to receive multiple nominations. Associates will also be recognized through statewide email communications and other site-based methods.

GUARDIAN ANGEL

A way for patients to share their gratitude for you.

What is Guardian Angel?

Guardian Angel is a program provided by Ascension Wisconsin Foundation. This program allows grateful patients the opportunities to honor a provider, or multiple providers, that made a difference in their care at Ascension Wisconsin.

Patients can recognize Guardian Angels by making a donation to the Foundation, sharing their story, or both! Guardian Angel donations play a key role in making it possible for us to continue supporting Ascension Wisconsin.
